

Sunflower Colouring

Name: _____

Date: _____

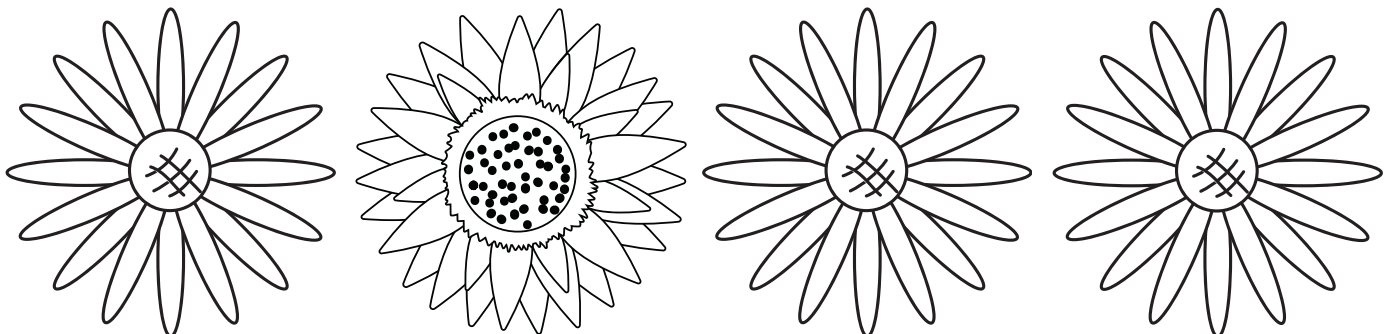

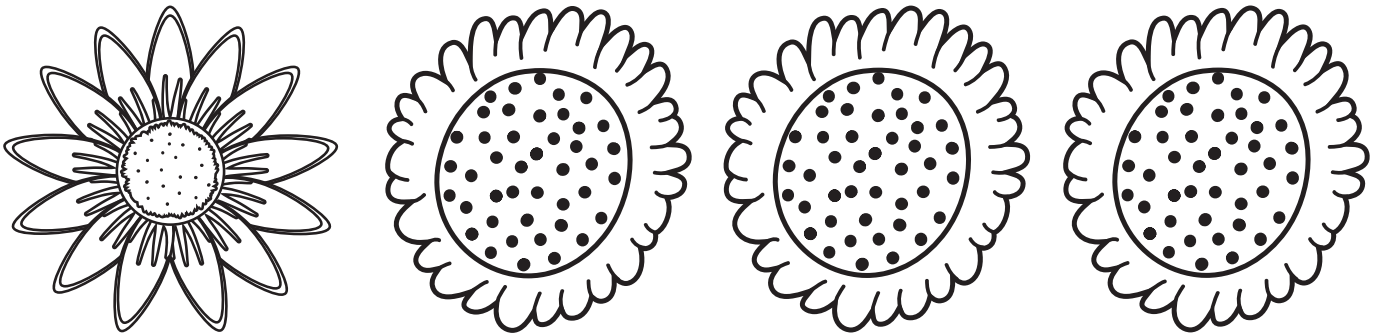

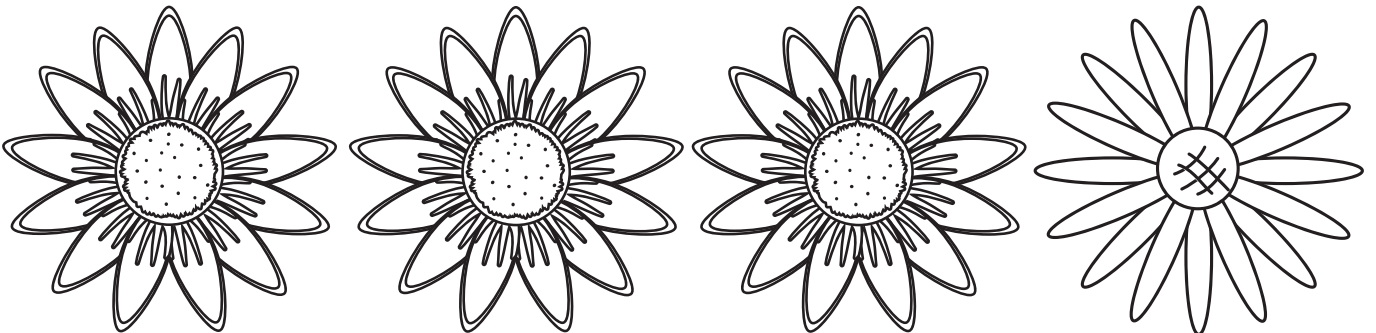

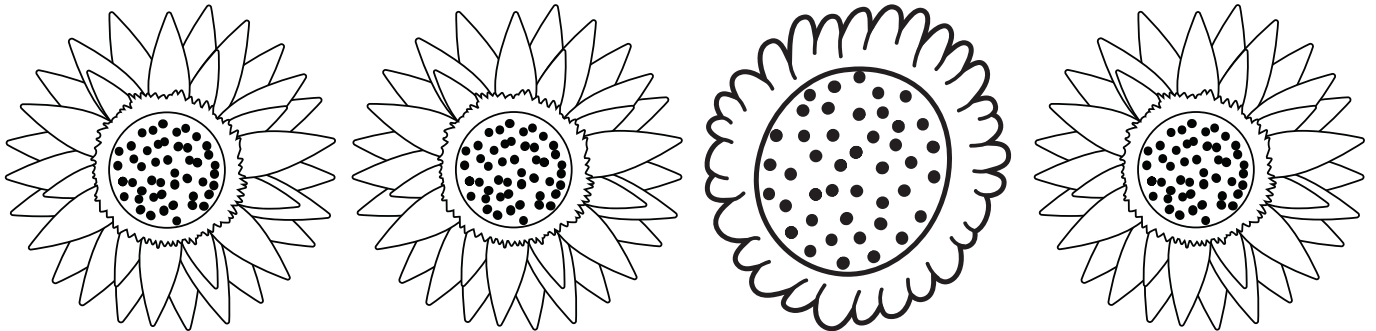

Working on: Visual Discrimination, Hand-Eye Coordination, Pencil Control and more

Visual Discrimination

This is the ability to notice and compare the features of an item to match or distinguish it from another item; distinguishing a P from an R, matching shapes to complete a puzzle, etc.

Instructions:

- Colour in the flowers below in your favourite colours
- Draw a big circle around the flower that looks different from the others in that line

Sunflower Colouring
